Subject - Provision of Canopies to the Traffic Police

Further to letter No P W 9467-68 dated 26th February, 1951, Government consider that the cost of these traffic umbrellas should be borne by both the Corporation and the Police Department, each bearing a moiety, since these shelters are intended to facilitate regulation of traffic and the Police arrangements therefor

I am therefore to request you to obtain the concurrence of the Corporation to meet half the cost, (the estimated cost of each umbrella being Rs 350/-), and to put up 10 units in Bangalore for the present and intimate the same for taking further action
